Trihydro Awarded Target Zero Award from Tesoro Petroleum's Mandan Refinery

LARAMIE, WY, March 7, 2004...On February 15, 2005, Tesoro's Mandan Refinery recognized Trihydro for its commitment to workplace health and safety with the "Target Zero Award." This award is for achieving a "zero-injury environment" for work conducted at the Tesoro Mandan facility in Mandan, North Dakota, during 2004. The Target Zero Award is a Tesoro health and safety management program that encourages employers to voluntarily meet rigorous workplace safety standards to protect workers and reduce injuries. To achieve Target Zero status, a company must achieve zero recordables for the year at the work site and be 100% in compliance with Tesoro's Safety Programs.

Tesoro Corporation is a FORTUNE 500 company headquartered in San Antonio, Texas. With more than 3,500 employees, Tesoro is a leading independent refiner and marketer of petroleum products, operating six refineries in the Western United States.
