Trihydro Ranks 18th in ZweigWhite Hot Firm List

LARAMIE, WY, July 6, 2004...Trihydro Corporation has been ranked 18th in the ZweigWhite “Hot Firm” ranking of the 100 fastest growing Architecture, Engineering, Planning (A/E/P) and Environmental Consulting Firms in the United States. This listing was compiled by ZweigWhite and Associates, a national firm that provides management consulting services for the A/E/P Industry.

One of the objectives of the Hot Firm List is to recognize both small firms and large firms for their accomplishments over the past three years. The list recognizes successful firms based over three-year period. Data is verified by financial statements or income tax returns that are reviewed by third parties. To be eligible for the list, firms must be based in the United States and derive the majority of their revenue from the practice of architecture, engineering, planning, environmental consulting, design and construction, or allied disciplines.
